Excerpts from the PA Finance Committee report:

“Introduction:

As stated in the Parents Association By-Laws, the purpose of the SSFSPA Finance Committee is to “prepare recommendations for fundraising allocation for the following year after consultation with students, members, SSFS faculty and administration.” With that injunction in mind, this year’s Finance Committee has been meeting over the last seven weeks. The purpose of this report is to present our preliminary recommendations to the SSFS community and to allow for a period of comment on these recommendations, prior to making final recommendations to the Parents Association.”

“Our Recommended Allocation

....is:

The Parents Association give an unrestricted gift designed to (i.e. re: meeting but not planning) that all the funds be put toward Financial Aid (Diversity Grants).

Please take the time to review the full report. Comments can be made via e-mail to ssfspa@ssfs.org or by contacting the PA Mentoring Clerk, Kathleen Morrish, see the directory for contact information, prior to the April 15th meeting.

Discussion of the Finance Committee recommendations will take place in the first half of the April 15th PA Meeting. In coordination with Quarter Finance, additional time will be scheduled should the need arise.
