Any Middle School student who remains at school after the 3:25 p.m. or 4:15 p.m. (Athletics) dismissal (2:25 p.m. Wednesday) will be expected to be in the After School Program. Parents must pick students up from the appropriate space by 6:00 p.m. **Late pick-up fees are \$16.00 per 15 minutes after 6:00pm.**

Students may sign up for the regular 5-day-a-week program or for regular partial week use on pre-defined days of the week, e.g. every Tuesday and Thursday. There is also an option to enroll for only a particular sports season.

The After School Program **begins on Wednesday, September 3rd**. There is no After School Program on September 2nd due to parent conferences.

The rates for the After School Program are as follows: (per student)

Daily Homework Club	\$400 / trimester
Regular partial week	\$80 / day / trimester
After-sports (for students who participate on a sports team then join the After School Program at 4:15)	\$240 / trimester or season <i>(sports seasons do not directly correlate with the academic trimester, but are billed as stated below)</i>

If you are interested in the After School Program on a full or partial week basis, return the form below with payment as soon as possible to the Middle School Office. After-sports registration is on going. Financial aid is not available. Billing for unpaid balances occurs at the beginning of the second and third trimesters.
