

SSFS PARENT ASSOCIATION MEETING FOR WORSHIP ~ 2007-2008

JOIN US IN SILENT WORSHIP

The SSFS Parent Association invites all parents, faculty and staff to join in our new Meeting for Worship. The Meeting is conducted in the style of traditional Quaker worship - a time for coming together in unprogrammed, quiet introspection and listening to hear God's "still small voice." The Meeting for Worship is of course open to all, regardless of religious affiliation.

We meet in the SSFS Meeting House once a month on Thursday mornings from 8:15 to 9:15 AM on the following dates. We hope you'll mark your calendars and join us. Parents who attended meeting last year described it as "wonderful!" and "just what I needed- a chance to put aside the stress and jumble of my life and find a few moments of peace." Come find out for yourself!
