THE SCHOOL

Sandy Spring Friends School was founded in 1961 by S. Brook Moore, a member of the Religious Society of Friends (Quakers) to teach his version of the three R's: respect, responsibility, and reverence. An independent, co-educational, college preparatory school for students of diverse cultural, ethnic, religious and economic backgrounds, the School is situated on 144 acres in the historic Sandy Spring area of Montgomery County, Maryland, 20 miles north of Washington, D.C. The School offers classes from Pre-Kindergarten through Grade 12, with five and seven-day boarding available in Grades 9 through 12.

Sandy Spring Friends School develops the trained mind, the skilled hand, and the healthy body within a nurturing community centered in the Life of the Spirit. The School provides a challenging academic program combined with stimulating opportunities in the arts, athletics, and community service. All features of school life are strongly influenced by the Quaker values of simplicity, equality, honesty, stewardship of the environment, and peaceful resolution of conflict.

Sandy Spring Friends School prepares its students for college, to enjoy learning throughout life, and to become useful, constructive, and caring citizens of the world. Our mission is most clearly stated in our motto, words taken from George Fox, the founder of the Society of Friends: "Let Your Lives Speak."

GRADE POINT AVERAGE SCALE

H = 5.00*	A+ = 4.33	A = 4.00	A- = 3.66	B+ = 3.33	B = 3.00
B- = 2.66	C+ = 2.33	C = 2.00	C- = 1.66	D+ = 1.33	D = 1.00
D- = 0.66	F = 0.00				

*An honors grade (H) is reserved for singular work that not only exceeds highest expectation but also reveals deep and possibly new insight into the subject matter. Because of this, it transcends the superior understanding required of A level work.

RANK IN CLASS

Sandy Spring Friends School has a policy of not ranking students. We do, however, compute Grade Point Averages using the above unweighted scale. All students take a rigorous college preparatory curriculum with emphasis on the liberal arts. All graduating seniors are candidates for selective college admission.
