

2019 SSFS Lower School Summer Practice Apps & Online Resources for students entering PK3

While we hope that your child will spend the majority of the summer out in nature or participating in energetic social activities, a little exercise for the mind can be welcome. You may also want your child to spend some time practicing their basic skills so they don't become rusty over the summer break. To that end, we offer these **optional** fun and educational suggestions for apps and online resources. All of these sites and apps are recommended by Lower School teachers, so you can rest assured that your children's time online will be well spent.

General Subject Website

Common Sense Media

<https://www.commonsensemedia.org/>

Common Sense Media provides independent reviews, age ratings, & other information about all types of media.

Reading and Language Arts App

Learn with Homer

Learn with Homer is a learn-to-read app for ages 3 to 6 that incorporates drawing, voice recording, stories, songs, and more, along with more traditional phonics exercises.

Music and Movement App

Musical Me! by Duck Duck Moose

This award-winning musical app teaches notes, rhythm and pitch. Join Mozzarella the Mouse in a musical world with 5 activities that teach the fundamental components of music.

Life Skills Recommendations

Daniel Tiger's Neighborhood: Play at Home with Daniel

Students learn about Daniel's everyday experiences, which are like their own. Students explore bedtime, bathtime, doctor, and more at Daniel Tiger's house.
