Let Your Lives Speak

SSFS Upper School BYOD Requirements and Recommendations 2019-2020

SSFS has collaborated with a third-party vendor DSR to help facilitate the purchasing of the needed technology devices. Contact orders@dsr-inc.com or call 410-579-4508 and tell them you are from SSFS. Please note that this website is strictly for the convenience of our families and does not mean that families are required to purchase devices through DSR.

Warranty	3 year, accidental damage.	3 year AppleCare	3 year AppleCare	3 year warranty

SSFS recommends that all students have a device with a keyboard.

¹ As of March 2019

² Any device must be capable of connecting to SSFS's authenticated/Student network (WPA2-Enterprise)

³ For laptops, storage capacity refers to hard drive space. SSFS recommends purchasing solid-state drives for speed and performance reasons.

⁴ SSFS recommends families purchase a quality protective case for their device.

⁵ SSFS strongly recommend that you purchase the extra iCloud storage plan (\$0.99 per month) with 50 GB storage so the iPad will be able to automatically back itself up every night.

⁶ SSFS strongly recommends families purchase a protection plan that covers their device for as long as they plan to use the device
